PROFESSIONAL EXPERIENCE

Vellko Media PVT LTD, Bhopal (M.P.) **Jan-2022- Present**
Email marketing Executive / Digital Campaign Analyst

Key Responsibilities:

- Manage end-to-end email campaign operations, including planning, data preparation, campaign setup, testing, deployment, monitoring, and reporting.
- Support IP warm-up activities for dedicated and shared IP environments, following controlled sending schedules and monitoring delivery performance.
- Monitor email campaign performance and investigate delivery-related issues to support better email deliverability.
- Assist with DNS configuration and email authentication checks involving SPF, DKIM, and DMARC.
- Perform audience segmentation and data quality checks to improve targeting accuracy and campaign readiness.
- Develop and maintain workflows and automation to streamline campaign processes and reduce repetitive manual tasks.
- Analyze available campaign metrics, including delivery rate, open rate, click-through rate, and conversions, to identify optimization opportunities.
- Coordinate with data, design, and technical teams to execute campaigns according to business requirements and timelines.
- Conduct pre-deployment quality checks, including email template review, link validation, and campaign testing.
- Prepare campaign performance reports and share insights to support data-driven decisions.
- Support continuous improvement in campaign execution, workflow efficiency, and audience engagement.

Narayani Enterprises **Oct-2020 to Dec-2021**
Store Manager, Kanpur (U.P.)

Managed day-to-day operations at Narayani Enterprises, including product inward and outward stock entries, accounts maintenance and bill generation. Kept stock records accurate, prepared invoices on time and supported smooth coordination between the store, accounts and customers.

- Handled product in/out entries and maintained accurate stock records.
- Generated customer bills and invoices and kept billing records organised.
- Maintained daily accounts entries and supported reconciliation of sales and stock.
- Coordinated with suppliers, customers and the accounts team to keep orders and payments on track.
